

MORNING APPEAL

TUESDAY, SEPTEMBER 6

SILVER PARTY TICKET

FOR PRESIDENTIAL ELECTORS:
HON. THOMAS WREN,
OF EUREKA.
HON. M. S. BONNIFIELD,
OF HUMBOLDT.
HON. C. C. POWNING,
OF WASHOE.

ALTERNATE ELECTORS:
HON. Geo. S. Nixon, Of Humboldt
HON. Geo. Brown, Of Storey
HON. W. J. Westerfield, Of Lyon

FOR THE COMMON GOOD.

While party lines have been more or less obliterated in the present campaign, and many strange and unusual political situations present themselves, there is still no reason why men who have heretofore pulled side by side should be enemies, or that the campaign should result in bitter feeling or personal antagonism.

We should quit strife and contention, forget the two conventions at Reno and work together for the common good.

The main interest in the State lies in the silver issue, and if we are divided on that question the whole future outlook of this State is fraught with the gravest dangers.

We must present a common front to the common enemy, and in order to succeed be at peace with each other.

The APPEAL has every reason to believe that those in this State who are advocating the election of Harrison are honest in their belief that he is not really inimical to our interests. Their zeal is misguided but honest, and the best way to convince them of their error is argument and not abuse.

We believe that before the campaign is over they will recognize the advisability of coming into the silver camp and pulling with us for the common welfare.

There is nothing to be gained by a denunciation of the minority; better by far the olive branch of peace than howers of journalistic bricks.

THE SILVER LEAGUE CONVENTION.

The Act relating to elections and to more fully secure the secrecy of the ballot approved March 13, 1891, requires among other things that:

The names of candidates for Presidential Electors shall be arranged in groups as presented in the several certificates of nomination, and the names of the candidates for President and Vice President shall precede the proper groups of Presidential Electors; the political designation of each candidate shall be printed opposite his name.

The State Convention of Silver Leagues which assembled in Reno, June 24th, nominated three candidates for Presidential Electors, namely, Hon. Thomas Wren of Eureka, Hon. M. S. Bonnifield of Humboldt and General C. C. Powning of Washoe. The platform adopted by the convention says:

"We pledge the nominees of this convention for Presidential Electors, to support no man for President or Vice President of the United States who is not unqualifiedly in favor of free coinage as defined by this convention. We reserve to the Silver Leagues of Nevada, in State Convention assembled, the right of directing said Presidential Electors for whom to cast their votes should contingency require."

Speaking of this matter the Reno Journal says:

It is urged that only the Silver Leagues have authority to name the candidates for President and Vice President under which the group of electors shall be placed on the ticket as required by law, and the Humboldt Silver League invites all the Silver Leagues of the State to meet in convention at Winnemucca on the 15th instant and endorse Weaver for President and Field for Vice President of the United States. This will authorize the arrangement of the group of silver electors under the names of Weaver and Field, and prevent a possibility of votes for Messrs. Wren, Bonnifield and Powning being invalidated for informality.

It should be borne in mind that the platform of the silver party pledges the Presidential Electors to

support no man for President and Vice President of the United States who is not unqualifiedly in favor of free coinage of silver at the ratio of 16 to 1. The electors accepted the nomination subject to that pledge and also to the right of direct them for whom to cast their votes. At General Weaver is the only Presidential candidate pledged to free coinage it is only right that he should head the ticket on which their names are printed as electors, as without instructions from the Leagues in convention he is the only man they can support for President. The Elko Independent, the Tuscarora Times Review, Austin Advocate, Belmont Courier and White Pine News place the names of Weaver and Field above those of the electors, but neither newspaper or individuals have the right to arrange them on a ballot. That the electors will vote for General Weaver no silver man doubts but it is necessary in order that the law may be complied with to have the Leagues in convention direct that their names be placed under those of Weaver and Field on the ballots.

Drummers are becoming thick in Carson again.
